## **2012 Vw Passat Fuse Box**

Some Volkswagens have multiple interior fuse boxes including in the trunk - the video above will show you where the interior fuse box of your 2012 Passat is located. If your Passat has many options like a sunroof, navigation, heated seats, etc, the more fuses it has. Some components may have multiple fuses, so make sure you check all of the fuses that are linked to the component in question.

Thanks, really appreciate the diagram.  
However, I am having trouble accessing  
the fuse panel on my 2016 Passat.  
Manual seems to indicate it is behind the  
little storage compartment on the left  
side of the dashboard, but I can't seem  
to remove the compartment to access it.

### **Volkswagen Fuse Box & Fuse Holders | Advance Auto Parts**

Hi, I have a 2012 VW Passat that is not charging the battery. The car runs normally until the battery runs out, and the voltage at the battery steadily drops after the car is started (below 12V). I changed the alternator once since a battery shot shop said it was bad but I am not sure. It made no difference.
