A Textbook of Clinical Pharmacy Practice: Essential ...

The clinical pharmacists of the future must receive high-quality, patient-focussed teaching from well-trained teaching faculty. This new edition will make a major contribution towards achieving this goal. It is my great pleasure to commend this textbook, as it will help take forward the ongoing role of strengthening pharmacy practice in our country.

Textbooks of clinical pharmacology for medical students face two challenges. They need to provide concise information on the treatment of common diseases to enable the newly qualified doctor to acquire an adequate knowledge base to prescribe. Most textbooks succeed in this with varying 'cost effectiveness'.
