Kashi McCoy AMSTI Math Journaling Mathography 2 March 2015 During my math journey, I had a difficult time developing the skills I needed to perform math problems. I could not understand formulas, word problems, or measurements that were taught in math. There were plenty of times when I was awake late at night trying to finish my math homework. Elementary and middle school were the hardest ...

This report presents the results of an experiment conducted in Alabama beginning in the 2006/07 school year, to determine the effectiveness of the Alabama Math, Science, and Technology Initiative (AMSTI), which aims to improve mathematics and science achievement in the state's K-12 schools. This study is the first randomized controlled trial testing the effectiveness of AMSTI in improving mathematics problem solving and science achievement in upper-elementary and middle schools.
