### Anatomical Perfection Scott Eaton

Welcome to Scott Eaton's Anatomy for Artists online course page. The course is online to share the anatomy lessons of the old masters with artists intent on mastering the human figure. The course takes the daunting task of learning human anatomy and distills it into artist-focused lessons that cover the critical foundation that every figurative artist needs to know.

### Anatomy for Artists Online Course » Scott Eaton

The show's featured works are the result of the dynamic interaction between Scott's traditionally-trained hand and the AI tools he has 'taught' to work as his assistants. In this show, Eaton, an interdisciplinary artist with backgrounds in sculpture, anatomy and design, underscores the impact AI is set to have on the art-making process."

### Scott Eaton

The Eaton-Houdon Ecorche is a contemporary anatomy figure based on the classic L'Écorché, the 18th century anatomy study by French neoclassical sculptor Jean-Antoine Houdon. The original écorché figure was used for centuries in art academies and ateliers around the world to teach students anatomy and cast drawing.
