### Guide to Oregon Birds | Portland Audubon

Audubon's Certified Backyard Habitat Program Your backyard is your sanctuary - and we can help you to make it a beneficial location for birds, insects, butterflies, and animals. When you landscape with native plants, you attract native species to your yard, patio or balcony.

### Backyard Birds - Portland Audubon

Birds are indicators of broader ecosystem function and environmental health because they respond rapidly to climatic and other changes, and are relatively easy to see and study. Birds and humans need the same things - clean air, water, and land - so the future health of birds and that of humans is inextricably linked.
