We compare our list of abbreviations only to Kent's list and to Barthel & Klunker's "Synthetic Repertory", since these are the two widely accepted standards available to date. It is astonishing that many authors have not referred to one of these existing lists. They have taken the risk of being misinterpreted by introducing their

Introduction to the Repertory. Sub-rubrics are modifiers or descriptions of the initial rubric (in this case "Head Pain"). The first sub-rubric after the general rubric of "Head Pain" is "daytime" on p. 132. This is the first of the time modalities. This means a headache that occurs during the daytime.
