Board Characteristics And Audit Fees Ssrn

We argue that controlling shareholders influence the priorities of the board to focus on the provision of resources rather than monitoring. In contrast, boards in widely-held firms have a stronger focus on monitoring.

Board Characteristics and Audit Fees: Why Ownership ...

This is in contrast to the findings of Carcello et al. (2002a), who find that audit committee characteristics are not significant in the presence of board-related variables. Meeting frequency (defined as an audit committee that meets at least four times annually) was not associated with higher audit fees at conventional levels.

The Association between Audit Committee Characteristics ...

International audience Two competing theories correlate board characteristics and audit fees. The Audit-Risk Perspective suggests that there is a negative relationship between the quality of corporate governance and audit fees while, contrarily, the Demand-Based Perspective posits a positive relationship between these two variables.
