### Lists of books - Wikipedia

Many authors will use quotations from literature as the title for their works. This may be done as a conscious allusion to the themes of the older work or simply because the phrase seems memorable. The following is a partial list of book titles taken from literature. It does not include phrases altered for parody.

### Amazon Best Sellers Best Books

This list is generated from 128 "best of" book lists from a variety of great sources. An algorithm is used to create a master list based on how many lists a particular book appears on. Some lists count more than others. I generally trust "best of all time" lists voted by authors and experts over user-generated lists.
