Larson Calculus - Calculus 10e | Easy Access Study Guide

When Marilyn Monroe was asked if she had been lucky in her career, she said "When you have a single dream it is more than likely to come true---because you keep working toward it without getting mixed up." Anyone who has been in my office knows that I am a Marilyn fan. But not just a Marilyn fan---I am a fan of the American Dream.

Ron Larson, Professor | A Single Dream

Precalculus book by Ron Larson - ThriftBooks

This book is great. I am sure everyone has had some bad mathematical experiences, but this one was good. It did a decent job explaining concepts and instead of just giving you the (final) answers in the back of the book for the odd number questions, you could access the companion site and get the worked solutions for the odd numbered problems that really helped demonstrate the material in ...
