Culinary Traditions Of The Caribbean Islands

However, by studying Caribbean culture through a literary lens there then runs the risk of generalizing exoticist ideas about food practices from the tropical. Some food theorists argue that this depiction of Caribbean food in various forms of media contributes to the inaccurate conceptions revolving around their culinary practices, which are much more grounded in unpleasant historical events.

Caribbean Food Cultures - Walter de Gruyter

Because of its size, it is a great area to explore by foot whether to hike down to the white, soft, sandy beach or stroll along the streets to marvel at the charming architecture. A must-visit for any Carmel guest is the San Carlos Borromeo de Carmelo Mission – founded in 1771 by Father Junípero Serra – a compound that comprises a basilica church, several small museums and beautiful grounds.

influences.

Caribbean Culture | Caribya!

During the African slave trade that began in the early 1600's, foods from West Africa came to the Caribbean Islands, including okra, pigeon peas, plantains, callaloo, taro, breadfruit and ackee. Following the abolishment of the slave trade in 1838, laborers from India and China came to work in the fields and plantations, adding two very different culinary influxes to the already long list.
