CHCLEG001 Work legally and ethically

At some point or another, many parents of gifted children contemplate homeschooling their children. It may be when the children are still young and haven't yet started school or it may be after the children have started school and the parents realize that the needs of the children are not being met.

Certificate III In Early Childhood Education And Care ...

When the question is open the respondent can answer in a number of ways, so this technique is useful for ascertaining attitudes, thoughts and feelings. Open questions are ones that require more than one word answers. The answers could come in the form of a list, a few sentences or something longer such as a speech, or paragraph.
