Your CITI Program Completion Report has two parts. Part 1 shows quiz scores at the time you "completed and passed" the course requirements, and is "frozen" thereafter. Part 2 is continually updated. Once a Completion Report has been issued you will not be able to change the scores on Part 1, which is called the "requirements report."

I repeated the quiz but my score did not change on my ...

The minimum "passing" aggregate score for the quizzes has been set by your institution. A running tally is compiled in the Grade Book. If you want to improve a score on a quiz, you may repeat any quiz in which you didn't score 100% correct. Scores obtained after a completion report has been issued will not be reflected on the completion report.

CITI Program COI training provides comprehensive coverage on the PHS FCOI regulations. Yet, the determination on whether a particular type training, such as COI, is sufficient for the NIH should be made internally by the organization. It is important to note that NIH requires organizations to educate investigators about their own COI policies.
