Civilization V has grown over a few big expansions to become one of the very best games on the PC. I'd go so far as to say it's *gasp* the best Civilization game of them all.

The Best Civilizations in Civilization 5 | Strategy Gamer

The Civilization V Strategy Guide is a great tool to understand the subtle (and not-so-subtle) vagaries of the game, that make playing this updated version of the classic, a good very one. While many elements have remained the same, I've turned to the Guide when playing the game, when what was, presents itself differently.
