Clout: The Art and Science of Influential Web Content by ...

"The way to get results online is clout —influence or pull," writes Colleen Jones in her book, Clout: The Art and Science of Influential Web Content. "On the web, clout allows you to attract the right people and, at the right time, change what they think or do. Achieving clout demands new thinking and a new focus on web content."

### Clout The Art And Science

Among the books I picked up is Colleen Jone's Clout: The Art and Science of Influential Web Content. This book started well: an interesting combination of marketing, psychology and rhetoric. However, as soon we hit the later chapters, it becomes too practical and superficial for my tastes.

---

### Amazon.com: Clout Science

Description. In The Content Advantage (Clout 2.0): The Science of Succeeding at Digital Business Through Effective Content, expert Colleen Jones argues that in the age of digital disruption, your company faces an important choice. The choice is not whether to do content. Every business function—from marketing to sales and from support to recruiting—demands content.

---
