Research Paper: Coaching Across Cultures
There are three common mistakes coaches from "the West" make when coaching across cultures. I'll tell you what to do instead. I've noticed that most coaching training originated from cultures that could be described as individualistic and egalitarian - countries like Australia, Britain, and the United States.

Coaching Across Cultures
coaching style, he is able to unleash more human potential and achieve more meaningful objectives." Quote from the book review of Coaching Across Cultures in "Soundview Executive Book Summaries", June 2003. The Applications of Coaching Across Cultures Cultural differences can cause immense frustrations and represent a real mystery to many of us.
