Codex Alera is a fantasy book series by
Jim Butcher. The series chronicles the
coming-of-age of a young man named
Tavi in the realm of Alera, an empire
similar to Rome, on the world of
Carna. Every Aleran has some degree of
command over elemental forces or
spirits called furies, save for Tavi, who is
considered unusual for his lack of any.

Codex Alera - Wikipedia

I became a fan of Jim Butcher after reading book 3 in The Dresden Files series, it was a superb book. Codex Alera is totally different than the Dresden series, and Furies of Calderon proved for once and for all that the author is much more important than THE great idea (if you don't know what I'm talking about - this book was conceived as a ...
