Comfort Glow Gas Burning & Electric Heaters & Fireplaces.

Comfort Glow heaters which require wicks #15 and #16: These are a two part wick, an upper portion which is fiberglass and has the top burning surface, and a lower cotton section to which is attached the wick raising mechanism. The two-piece wick was designed so that the lower section could be used over and over again, so attaching a new top section (#16T) was a design feature of this wick.
