Asian American Studies (ASIA AM)

Our membership hails from various parts of Washington and Oregon. Historically the Seattle area was considered a major gateway city for many immigrants including Asian American/Pacific Islanders (AAPIs). As a result, Seattle has one of oldest AAPI communities and continues to be both ethnically and socio-economically diverse.

Seattle | AAPIP

According to the most recent American Community Survey, the Asian population in Washington is 602,020 - at 8.3% of the total population of Washington. And, unlike African Americans that fall under one group in the Census, Asian Americans have many sub-groups -- Chinese, Filipino, and Indian being the three largest sub-groups.

Greater Seattle has had a Chinese American community almost since its founding in 1851. Chinese workers arriving in the 1860s were welcomed, because the Seattle area was sparsely settled and workers were needed; within a few decades, however, newly arrived white settlers resented the Chinese workers, and there were several anti-Chinese riots as the whites attempted to expel the Chinese from ...
