How to Write a Cover Letter - Step by Step (Infographic)

1. All cover letters should follow the same 7 section template outlined below - While yours will probably only be four paragraphs, we've separated it into 7 must-have "sections" that need explanation. 2. All cover letters should be one page or less - You won't land a job by writing a novel. Some hiring managers even say that you shouldn't write more than 250 words — though that is up for debate.
