Step 1, Make sure that you have a crafting table and a furnace. You'll need the crafting table to create the map and its components, while you'll use the furnace in order to create parts for the compass that accompanies the map. If you're in creative mode, type map on search bar.Step 2, Gather resources. In order to create a map, you'll need the following items: Sugar Canes - You'll need 9 of these. Sugar Canes are light-green stalks that usually grow near water. Iron ore - You'll need 4 of ...

Crossbows are similar to bows, but take longer to load and are slightly more powerful, shooting farther due to slightly higher accuracy.They can be drawn back by using them, forcing the player to move at a sneaking speed, and unlike bows, the arrow or firework rocket can be fired only after it is fully charged. Once it has reached full charge, the player's speed returns to normal and the ...

Crossbow – Official Minecraft Wiki

A craft or trade is a pastime or a profession that requires particular skills and knowledge of skilled work. In a historical sense, particularly the Middle Ages and earlier, the term is usually applied to people occupied in small-scale production of goods, or their maintenance, for example by tinkers.
