It's got the same kind of 90's charm you'd find in other older mapsets with some quirky texture usage. Should make for an easy recommendation if you're looking for something simple, quick and reminiscent of the Doom community's earlier days.

## **Downloads - Doomworld**

The following files were part of the original source code, but were removed in the "cleanup" before the source release. Evidence of these files remains in the text file "FILES" distributed with the Doom source, which appears to contain a Unix file listing of the source code files before Bernd Kreimeier 's changes.
