Method and Style - Process and Decision Modeling Done Right

Enter DMN Method and Style. It makes valuable contributions at both the "big picture" level, and at the detailed decision logic level. For the big picture, DMN describes the overall end-to-end decision in terms of sub-decisions and information requirements. This gets to the "why" of a decision, usually missing from the BPMN view alone.

DMN Method and Style 2nd Edition Blog: Method & Style (Bruce Silver) In any emerging area it is possible to be too early, and with DMN Method and Style, published in 2016, I plead guilty to that. It seemed like a good idea at the time. DMN 1.1 was finalized, and the bugs that had prevented implementation of DMN 1.0 were fixed.
