The original brief for The Mark of the Rani was to give The Master a companion, like The Doctor has a companion. Instead, the Bakers opted to create their own rogue Time Lord and then spend the rest of the story never missing an opportunity to say how great she is while belittling the other two Time Lords in the story.

The third story of Season 22 converted to Black and White and recut. Not a bad story, and The Rani is quite good in it. Once she tells The Doctor and The Master, "Oh, do stop squabbling and get on with it!" I took this advice and made a GOWI (Get On With It) Cut. At times the story is too slow. There's also too much bickering between The Doctor and Peri which doesn't contribute to the story.
