Oecd

14 October 2020. The UK faces major challenges from the COVID-19 crisis and leaving the EU. Investing in the digital economy, the service sector, green infrastructure and adult skills would help foster a green recovery, the latest OECD Economic Survey of the United Kingdom says, but warns that the crisis could worsen inequalities and regional disparities.

OECD.org - OECD

The Organisation for Economic Co-operation and Development (OECD; French: Organisation de Coopération et de Développement Économiques, OCDE) is an intergovernmental economic organisation with 37 member countries, founded in 1961 to stimulate economic progress and world trade. It is a forum of countries describing themselves as committed to democracy and the market economy, providing a ...

OECD - Simple English Wikipedia, the free encyclopedia

The OECD Guidelines for Multinational Enterprises are recommendations addressed by governments to multinational enterprises operating in or from adhering countries. They provide non-binding principles and standards for responsible business conduct in a global context consistent with applicable laws and internationally recognised standards.

[OECD](#) - Wikipedia

The Organisation for Economic Co-operation and Development (OECD) is an international organization of countries. Member countries of OECD all have a democratic system of government. They also accept the principle of a free economy. A country has a free economy when its government does not control the economic activities of its citizens and companies.

OECD iLibrary | About OECD iLibrary

The global economy could shed more than 1per cent of output if international talks to rewrite cross-border tax rules break down and trigger a trade war, the OECD said on Monday, after countries ...
