Earthquakes! Time For Kids. by Time for Kids Editors with Barbara Collins For science loving kids, it's fantastic to find inexpensive, easy-to-read books filled with dramatic photographs - and what could possibly be more dramatic than photos of the aftermath of an earthquake.

Earthquakes! by Time for Kids Editors with Barbara Collins

The books for kids love to show photos of the monster quakes and don't stress enough that the majority--the vast, vast majority--are harmless. Also, most books seem to assume the kids reading it are living in a non-earthquake region. But I guess that is not relevant now that the East Coast and now Oklahoma have actually had earthquakes!!!!
