EDGY is how ordinary people become extraordinary. EDGY is how a master chef, a World War II veteran, a 15-year-old girl, a homeless retired paramedic, an Australian potato farmer and a shoe executive became amazing, did the unthinkable and forever changed their corner of the world. And EDGY is how you can achieve outrageous success, regardless of who or where you are in life right now.

Achieving Outrageous Success Every once in a while, someone jolts me out of my comfort zone - and makes me question what I'm doing. Dan Waldschmidt, author of the new book EDGY Conversations, is one person who always seems to do that. He's spent the past four years studying how ordinary people were achieving success against all odds.

By Dan Waldschmidt You know this book is different (OK, the author would say edgy) when you open the cover and instead of seeing testimonials from famous or influential people, you see this: This is where you would normally find opinions and quotes from a bunch of people who say they read the book and [...]

[New Book. 'EDGY Conversations,' Sets the Record Straight ...](#)

Edgy Conversations is a new kind of success book that forces you to confront your disempowering conversations and achieve more. I'm entirely too vain to contemplate killing myself. No matter how crappy I feel, no matter how much of a loser - the idea of ending it all just seems entirely too messy and dramatic to me.
