The Einstein Factor: A Proven New Method for Increasing ...
About The Einstein Factor “The Einstein Factor liberates mental abilities you didn’t know you had. I tried the techniques in the book and they paid off instantly. It’s almost scary.” —Duncan Maxwell Anderson, senior editor, Success.

Book Review — The Einstein Factor (Amazon) | Doctor Spin
The Einstein Factor is a fascinating book with bold claims of cognitive exercises that can dramatically increase intelligence and enhance academic performances. Wenger outlines and discusses each of them, and all of his ideas are worthy of reading. The topic of image streaming is quite noteworthy.

you had. I tried the techniques in the book and they paid off instantly. It's almost scary."—Duncan Maxwell Anderson, senior editor, Success. From the Publisher

The Einstein Factor: A Proven New Method for Increasing ...

I have probably read hundreds of invention books over the years, and I still come back to The Einstein Factor on a regular basis for its directness, ease of application, fun and originality. The Einstein Factor is all about implementing simple, yet astonishingly effective, creativity techniques to come up with highly original ideas and inventions. The most important of all is what Win Wenger, a renowned educator and innovator in his own right, called the Image Streaming method.

A season of The Einstein Factor can be divided into three parts of 13 episodes each plus the series grand final, bringing the total number of episodes in a season to 40. The winners of each programme's heats compete at the end of the series in a series of "Play-Offs", the winners of which compete in a "Series Final".
