Causal research, also known as explanatory research is conducted in order to identify the extent and nature of cause-and-effect relationships. Causal research can be conducted in order to assess impacts of specific changes on existing norms, various processes etc.

## **Explanatory Research: Definition, Benefits and Examples**

Succinctly, when writing an expository research paper, you simply have to provide information on a particular topic. You may be allowed to come up with potential research paper ideas yourself or your teacher or professor may provide you with a list of possible topics.

## **Explanatory Research Paper**

Explanatory Research is conducted in order to help us find the problem that was not studied before in-depth. Explanatory research is not used to give us some conclusive evidence but helps us in understanding the problem more efficiently. When conducting the research, the researcher should be able to adapt himself/herself to the new data and the new insight that he discovers as he/she studies the subject.

## **How To Write A Research Papers - Examples and Tips**

Write a brief explanation of the subject of your expository essay on the center of a piece of paper and circle it. Then draw three or more lines extending from the circle. Write a corresponding idea at the end of each of these lines. Continue developing your cluster until you have explored as many connections as you can.

## **Causal Research (Explanatory research) - Research-Methodology**

It differs from the persuasive research paper in the level of research and argument it employs. While an expository essay should be focused on a particular topic and illustrate its points with specific examples, it doesn't usually have the depth of research or argument that you need in a major research assignment.

## **Sample Paper: Explanatory Research paper**

## **Writing@Franklin**

Expository essays are not research-based argument essays or persuasive essays. Expository essays generally do not require outside research. Your prof might ask you to write an expository essay as an exam or in-class writing assignment. So you'll need to be able to write quickly and with little preparation. 30 Expository Essay Topics for an ...
