Feel the Fear and Do It Anyway by Susan Jeffers

The result is the catch-22 of fear of change and fear of staying the same. The conclusion is that fear is a necessary and essential element of life and pushing through fear is actually less frightening than living with the underlying fear that comes from a feeling of helplessness, hence `feel the fear and do it anyway'. The first part of the book creates a picture of the widespread and damaging effects of fear, in its many forms such as fear of changing jobs, fear of illness, fear of failure ...
