Flying American Combat Aircraft: Vol.2, the Cold War by ...

This book is a horrible word-for-word
copy of "Flying Combat Aircraft of the
USAAF-USAF" series. There are 2
volumes in that series, and they have
the EXACT same stories as this book.
They only difference is they use different
pictures and the books have a much
better layout.

Enlisted men seized this once-in-a-lifetime chance to fly, said retired Air Force Brig. Gen. Edward Wenglar, a former enlisted pilot. "I was born the tenth child of a sharecropper and, at that time, there was no one lower than a sharecropper," Wenglar said. "I went from driving a mule to flying the newest (aircraft). It was quite a step.

Flyovers are an American tradition, fitting for the country that produced the Wright Brothers. However, flyovers have worldwide roots and worldwide flavor. The British also performed flyovers on the Western Front during World War I, and “the fly past” remains a tradition in the British, Canadian, and Australian armed services.
