H446) specification correction. Section 4c of the AS/A Level Computer Science (H046 and H446) specifications has been corrected to clarify that the use of calculators within examinations for these specifications is not permitted. This has not affected any live assessment material.

Computer Science A Level - The Thomas Hardy School

This revision guide (KEYWORD “revision”) is intended to provide you with (arguably) the absolute best preparation possible for your OCR A level Computer Science H046/H446 spec exams. By no means does this book cover the specification completely (at least not this version) and this book should only be used for revision purposes.
