Assessment, evaluation, and documentation are essential to any teaching and learning process. The way learning is documented and assessed directly influences what gets taught. Rather than a focus on products, assessment should focus on documenting a combination of learning processes and products as a way to inform pedagogical decisions.

The Q Evaluations The Q evaluations provide important student feedback about courses and faculty. Many questions are multiple choice, though there's room for comments as well. The more specific a student can be about an observation or opinion, the more helpful their response. Q data help students select courses and supplement Harvard's Courses of Instruction, shopping period visits to classes ...
