Haven in a Heartless World (Norton Paperback): Lasch ...

The family does not serve as a safe haven insulated from the world of work. Work intrudes into every aspect of the worker's life. Lasch writes [in 'Haven in a Heartless World']: 'The same historical developments that have made it necessary to set up private life - the family in particular - as a refuge from the cruel world of politics and work, an emotional sanctuary, have invaded this ...

Haven In A Heartless World

Haven in a Heartless World does not utilize the broad cultural materials of The Culture of Narcissism but it is an important step on the way to Lasch's major book. While not inaccessible to general readers, Haven in a Heartless World will be of particular interest to sociologists and other social scientists.

Haven in a Heartless World (Pt. 2)

Robert Christopher Lasch (1932–1994) was an American historian, moralist, and social critic who was a history professor at the University of Rochester. Lasch sought to use history as a tool to awaken American society to the pervasiveness with which major institutions, public and private, were eroding the competence and independence of families and communities.
