~~Volkswagen Transporter Haynes Car Service & Repair Manuals ...~~  
VW TRANSPORTER 82-90 Information is fine as far as it goes, but there is NO COVERAGE OF THE DIESEL ENGINES that were fitted to some of them. I've got a 1985 T25 1.6 turbo diesel engined Westfalia. If I had known this I would not have bought it. It is not obvious from the illustration showing the front cover of the Haynes manual.
