Her Master's Courtesan (2000) About book: I saw this book has been banned on Amazon, so that made me want to read it. I'm not a hero. I would rather say that I'm the villain, the kidnapper whose job is to seduce women in a way that none of them would ...

However, what I will say is Her Master's Courtesan is a viciously violent, psycho erotic thriller that will linger in your mind for a long time. Not only am I giving a 5-Star rating to Her Master's Courtesan but I am also giving it a 5-Flame rating as well. Is that a good thing you ask. Depends.

This is a story revisiting the beloved characters Master Aiden and Rebecca, from Her Master's Courtesan (and to a lesser extent, Her Masters Teacher). I just can't get enough of those two! In Her Master's Christmas, Rebecca longs to celebrate the Christmas holiday, something she did growing up with her family; though hasn't since.
