Read PDF How We Die Reflections Of Lifes Final Chapter

Summary. Those processes include circulation stoppage, organ failure, and diminishing brain functions. What drives them all is the fact that human lives depend on oxygen. Lack of oxygen is at the bottom of how we die. One way or another, disease, trauma, or aging will find a way to rob us of the breath of life.

For the casual reader, these "Reflections on Life's Final Chapter" are understandably moving and emotional accounts of case studies on how we die.

How We Die, Reflections on Life's Final Chapter Summary ...

Summary. He describes the death process for six major killers: heart disease, stroke, AIDS, cancer, accidents/suicide, and Alzheimer's disease. But the power of the book is in its intensely personal depiction of these events and in the lessons which Nuland draws from his experiences. The message is twofold: very few will "die with dignity" so that (1)...

How We Die: Reflections on Life's Final Chapter

The dignity that we seek in dying must be found in the dignity with which we have lived our lives. *Ars moriendi* as *ars vivendi*: The art of dying is the art of living. The honesty and grace of the years of life that are ending is the real measure of how we die.
