Professor Ian Almond
The number of studies about the history of Islam in Europe is legion, most of them promising balanced approaches. However, seldom has this reader encountered a writer who has not fallen into the same monolithic trap. Ian Almond voices a similar concern and promises to attempt "neither to judge, nor to defend, but merely to dissect" (5).

11 amazing things you didn't know about almonds - ISRAEL21c
When, in our turbulent day, we hear of a 'clash of civilizations,' it's easy to imagine an unbridgeable chasm between the Islamic world and Christendom stretching back through time. *Two Faiths, One Banner* shows how in Europe, Muslims and Christians were often comrades-in-arms, repeatedly forming alliances to wage war against their own faiths and peoples. This bold book reveals how the idea of ...
