While I agree that students would be better prepared for higher education and life in general if they received some information literacy education in primary and secondary schools, I don't know how much evidence there is that in the past school librarians were ubiquitous or that they taught information literacy.

## **Without Foundations, We Can't Build: Information Literacy ...**

We connect people to the information they need.. OCLC libraries collectively steward a vast quantity of knowledge. Working together, we make this information more visible and accessible to end users through shared WorldCat data, syndication programs and partnerships. This sharing of ideas creates connections both inside and outside the library community.

## **About OCLC**
