Due to the flexibility of the system, a lot
of the instructions read like a Choose
Your Own Adventure novel, and you

Acces PDF Ikea Kitchen Cabinets Installation Manual

don't want to follow the wrong part. Any time the IKEA instructions show you screwing into something that isn't pre-drilled, drill a pilot hole. IKEA is really optimistic about how easily their screws can pierce the cabinet veneer.

Because IKEA installation guides are written in black and white, there's really no mention of which side is supposed to face where. In the very first cabinet we assembled, we made the mistake of installing the brown side facing inward; now, we have to find matching paint just to paint the inside of the cabinet white.
