Global trade - The World Trade Organization (WTO) deals with the global rules of trade between nations. Its main function is to ensure that global trade flows smoothly, predictably and freely as possible.

~~WTO | The history of multilateral trading system~~

The World Trade Organization (WTO) is an intergovernmental organization that is concerned with the regulation of international trade between nations. The WTO officially commenced on 1 January 1995 under the Marrakesh Agreement , signed by 123 nations on 15 April 1994, replacing the General Agreement on Tariffs and Trade (GATT), which commenced in 1948.

It is a forum for governments to negotiate trade agreements. It is a place for them to settle trade disputes. It operates a system of trade rules. Essentially, the WTO is a place where member governments try to sort out the trade problems they face with each other. What we do. The WTO is run by its member governments.
