Insecurity and Welfare Regimes in Asia, Africa and Latin ...

The pursuit of secure welfare in these circumstances can presume none of the institutional labels that apply to the other two families of welfare regime. Insecurity regimes thus exhibit a far more tenuous relationship between rights and correlative duties, seeing survival mechanisms as more transient and contingent upon the particular alliances being made by power-holders.

Insecurity and Welfare Regimes in Asia, Africa and Latin America: Social Policy in Development Contexts. Ian Gough, Geof Wood, Armando Barrientos, Philippa Bevan, Peter Davis, Graham Room. Written by a team of internationally respected experts, this book explores the conditions under which social policy--defined as the public pursuit of secure welfare--operates in the poorer regions of the world.

Insecurity and Welfare Regimes in Asia, Africa and Latin ...

This process has resulted in a distinctive approach to regime research, in which Esping-Andersen's OECD model of welfare state regime is precisely distinguished from a more generalised conception of welfare regime, which embraces the performance of non-state as well as state institutions in the reproduction of security and insecurity. In this way, we offer a framework for comparative analysis, which enables different regions of the world to be broadly classified into different families of ...

Fourth, it constructs an alternative paradigm of 'welfare regimes' with some claim to universal applicability. Within this, fifth, it identifies informal security regimes and insecurity regimes: two meta-regime types to stand alongside the welfare state regime model.

Welfare regimes in development contexts : a global and ...

The welfare regime approach can provide a much-needed framework enabling a comprehensive analysis of changes in welfare production in Latin America, including the study of the linkages existing between social protection and labour market institutions, and an evaluation of the outcomes of these changes.

Latin America : towards a liberal-informal welfare regime ...

Introduction. In this chapter I use the in/security model developed in chapter 3 to analyse insecurity and welfare on the continent of Africa. The in/security model has five main components: the structural relationships and dynamics involved in the generation of insecurity; mobilisation outcomes; rectification mix; in/security outcomes; and stratification outcomes.
