GPSHorary.com is first and only GPS enabled Horary Astrology Software/ Prashna Kundali Software. It detects your latitude, longitude, time zone and dst so that you do not need to enter anything. It also supports KP System.

~~Prashna Jyotish~~
Prashna. One of the

Access Free Instant Astrology Prashna Jyotish

most useful and dynamic branches of Vedic astrology is Prashna, which literally means question. This is called Horary Astrology in the West. We again remind you of the metaphor of photography, in which a Natal chart reading is like using a wide-angle lens. One gets the full view, but it seems far away, and one cannot see all the details.

~~1 Question Daily~~

The Prashna Kundali or

the Horary Astrology

system is a unique

Access Free Instant Astrology Prashna Jyotish

system of Vedic Astrology that analyzes the kundalis of the question (Prashna Kundali) itself to find answers to a person's queries. Under this system the kundali is generated for the question using the time and the place where the question was asked.
