PEAK corporation is manufacturer which located in Foshan ( near Guangzhou, China) specially in manufacture two posts, four post,scissors lifts, car lifts,vehicle lifts, providing the high quality lifts with best price&perform radio.

### **PEAK Manufacturer for Car Lifts**

A moving scissor lift is near a fixed object. A moving vehicle and the scissor lift are operating closely. The scissor lift passes under a fixed object, such as a door frame or a support beam. Positioning the scissor lift to avoid electrocution, arc flash, and thermal burns is important for safely using scissor lifts near energized power lines.
