Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

Java Software Solutions For Ap

This is a hastily done book, since AP Comp Sci just switched to Java, which in itself was a bad decision (I should take that up with CEEB) For example, before talking about variable scopes, it starts using the idiom - for (int start=1; start <= MAXLINES; start++) { }- which in my opinion is bad for a beginner high school student. One can really get into trouble if one doesn't know what ...
