Answers to Job Assessment Questions | Work - Chron.com

Answering the job assessment honestly will not only set you up to succeed in your position, but you will also have more job satisfaction. Doing your best in a job comes down to the role fitting your skills and personality. A quiet person won't enjoy a receptionist position any more than a social butterfly would like a night shift stocking job.

Assessment tests aren't graded--they're more like a personality test such as Myers-Briggs. Your answers are evaluated during the pre-employment process, but not for the "right answer." A hiring manager may want to see what he or she might think of as right answers, but an answer key doesn't actually exist.
