Julius Kambarage Nyerere as quoted in the New York Times Magazine on 27 March 1960. "Having come into contact with a civilization which has over-emphasized the freedom of the individual, we are in fact faced with one of the big problems of Africa in the modern world. Our problem is just this: how to get the benefits of European society - benefits that have been brought about by an organization based upon the individual -- and yet retain African's own structure of society in which the ...
