Just Me and My Dad is a wonderful book about spending the day with just Dad and the adventures they get into. It is a great story about feelings a little one might have about their father ie. disappointment, pride, fear and unconditional love.

Just Me and My Dad by Mercer Mayer. This is a really cute book about little critter and his dad going on a camping trip together. I used it in my summer pre-school class as a fathers day theme. We also incorporated fishing, camping, and cooking out themes using this story. Great loveable book.
