Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Karen Leary A

Describes the evolution of the working relationship of Karen Leary, a new manager of a Merrill Lynch retail branch, and Ted Chung, a new financial consultant in the branch. Leary has some concerns about her working relationship with Chung and with his performance. Chung makes what Leary perceives to be an unreasonable request for a private office. Leary must respond to this request, taking into account the implications of her decision for her ambitions for the branch office and her career.
