PERCENT ERROR WORKSHEET - Science at CIC with Ms. Luckasavitch

Hi, I have a yellow 7 month old female yellow lab. She is my 4th lab in my lifetime, and possibly my last due to my age. My husband and I have raised 4 sons, so I had to have a girl this time. I had two boy labs, and two girls. I love both, but am partial to the female now. Her name is Abigail, and we call her Abby.
