Real estate in Ireland comprises all immovable property. This includes land and any buildings or fixtures on the land. No distinction is made between title to land and title to buildings where they are in the same ownership. Typically, the owner of land is also the owner of any buildings erected on the land.

The law of Ireland consists of constitutional, statute and common law. The highest law in the State is the Constitution of Ireland, from which all other law derives its authority. The Republic has a common-law legal system with a written constitution that provides for a parliamentary democracy based on the British parliamentary system, albeit with a popularly elected president, a separation of powers, a developed system of constitutional rights and judicial review of primary legislation.
